**Statement of Philosophy:** It is a goal of our program to produce well-rounded, independent musicians capable of making rational musical decisions. We strive to provide our students with the best musical education possible. It is our hope that their experience with the Pearl City Choir Program will encourage them to further their music career in junior high and beyond.

**Expectations:**

Be responsible: Be in class when the bell rings. Please do not be late!

Be Respectful: Appreciate the drive, attitude and talents of your fellow choir members. Aid our choir in being a respected organization with our community.

Consequences
